1. Acceptance of Terms

By using Splitopia — whether through our Telegram Mini App or our website (splitopia.app) — you agree to these Terms of Service. If you do not agree, you must not use the app.

These terms form a legal agreement between you and Splitopia LLC.

2. What Splitopia Does

Splitopia helps people split group bills fairly. You can scan a receipt, and we'll extract the items using OCR and AI. Everyone in the group can then claim what they ordered, and the app calculates how much each person owes — including tips and tax.

Splitopia does **not handle money or payments**. We just help with the math.

3. Who Can Use the App

You must be at least **13 years old** to use Splitopia. If you are located in the European Economic Area (EEA), you must be **16 or older**, or have parental consent.

A **Telegram account is required**, as the app runs entirely inside Telegram.

4. Your Responsibilities

You agree to:

- Use Splitopia only for lawful and respectful purposes

- Not upload inappropriate, abusive, or unauthorized content
- Not reverse-engineer or interfere with the app's operation
- Only upload receipt data that you are authorized to share

You are responsible for any actions taken through your Telegram account.

5. Our Rights

We may suspend or remove access to the app if:

- You violate these Terms
- You misuse or disrupt the app
- We are legally required to do so

We may also update or discontinue features at any time.

6. Intellectual Property

All content, code, branding, and logos used by Splitopia belong to Splitopia LLC. You may not copy, reuse, or distribute any part of the app or website without written permission.

7. Privacy

We respect your privacy. Please read our [Privacy Policy](#) to understand how we collect, use, and protect your data.

8. Disclaimers

Splitopia is provided “**as is**” without warranties of any kind.

We do not guarantee that:

- The app will be uninterrupted or error-free
- OCR and item recognition will be 100% accurate
- The app will always be secure or available

You use Splitopia at your own risk.

9. Limitation of Liability

To the fullest extent permitted by law, Splitopia LLC shall not be liable for any indirect, incidental, special, consequential, or punitive damages — including any loss of data, revenue, or goodwill — arising out of or connected to your use of the app.

10. Changes to These Terms

We may update these Terms from time to time. If we do, we'll notify users through the Telegram Mini App or a banner on the website. Continued use of the app means you accept the updated terms.

11. Governing Law

These Terms are governed by the laws of the State of Delaware, USA.
